

Cortez Rescue & Outreach

♥ ADOPT ♥ FOSTER ♥ VOLUNTEER ♥ DONATE ♥ EDUCATE ♥ LOVE ♥

Thank you for fostering for Cortez Rescue! Your generosity & kindness by welcoming a dog into your home makes such a positive difference in their life and helps get them ready for their forever home.

Now that you have a foster dog in your care please be aware of the following:

For any questions regarding your foster dog or supplies please contact:

Terri- terri.cortezrescue@gmail.com or call 612-167-3145

For any medical issues or concerns please contact:

Irene- dacebob@gmail.com or WhatsApp +52 624-161-3148

All Vet appointments will be made by Irene. You will be contacted with details.

Your foster dog is on our website and up for adoption. Adoptions can happen at any time. If you have anyone, including yourself, interested in **adopting** your foster please have them contact us...**By email at info@cortezrescue.org** then please go to our website, cortezrescue.org and complete the adoption form. Qualified adopters are on a first come basis.

Please give your foster dog enough time to bond with you before taking them out in public. Some dogs can be very shy and scare easily which could make them a flight risk. Nobody wants to lose a foster dog so please be aware of your foster dog's fears.

If your Foster is younger than 4 months old we strongly recommend you do not take her/him to public areas such as beaches and restaurants where local dogs hang out. Most local dogs are not vaccinated and could spread disease to our young pups. If older than 4 months, when you take your foster out, always on a leash, please be sure to put their 'adopt me' vest or bandana on them. This lets everyone see that your adorable foster dog is looking for a forever home.

Please be sure to return all your supplies (crates, collars, leashes, beds, bowls, toys, bandanas, vests, etc...) to Cortez when finished fostering. We frequently run low on supplies and getting everything returned allows us to better care for the next dogs.

Our Mini Cortez Outreach Office is located in Los Barriles on Don Pepe Street. Please email info@cortezrescue.org to submit an appointment request or contact Terri or Irene.

Thank you again for Fostering. We couldn't do this without the help of our Volunteers!
